Sirs:

I have some coins sent from China by
Mr. J. H. Ware of Canton, China, who has be-
lieve had some correspondence with you in
the past. The coins in question are a some-
what assorted lot, gathered up in China, &
mostly European & American, with a few Chinese ones.

Do you ever make purchases of coins
& shall I submit these to you? I shall
be glad if you would let me know.

Faithfully yours

James M. Henry

Dear Sir:

I have your letter of January 5th.
We are more interested in the Chinese than
the American or European coins, and we buy
those that we desire for our Museum. Mr.
Ware wrote to me some time ago informing me
that he had entrusted his coins to you. If
you care to call here, I should be very glad
to talk over the matter with you, and would
suggest that you first make an appointment by
telephone to insure my being at the Museum.

Very truly yours,

Curator
